

Premium Root & Bloom

F001360

AWARD WINNING PLANT FOOD

8140

Monty's is asked for by name by Master Gardeners, Garden Clubs and avid gardeners everywhere! The natural science behind Monty's began over 25 years ago as champion rose grower, Monty Justice, was looking for a superior plant food. His original formula has grown into a line of quality products that are used by homeowners, commercial landscapers and farmers across the country.

Information regarding the contents and levels of metals in this product is available at: <http://www.aapfco.org/metals.html>

Monty's Premium Root & Bloom can be used on all flowering plants including trees and shrubs to promote abundant and vibrant blooms. It is also an effective product for use at planting and transplanting for enhanced root development. Can also be used on house plants and ferns.

Application Rates: Monty's Premium Root & Bloom is a concentrated liquid plant food that should be diluted before using. Dilution rate is 1 teaspoon per 2 gallons of water.

Application Information: May be applied weekly, bi-weekly, or monthly depending on the desired results. May be applied to the soil with a watering can, soaker hose or drip irrigation. May be foliar (misting of leaves) applied with pump-up or hose-end siphon type sprayer. Spray in the early morning or evening when the threat of evaporation is diminished. Monty's is rainfast in 2 hours.
